

Berke Perim

FRONT END DEVELOPER

Profile

Hello. Let me to introduce myself. I hope we can get to know each other better this way.

As a front end developer, I have about 5 years of professional working experience and more than 8 years of software development experience in total. My passion for learning keeps me going in this industry. What I have learned so far allows me to learn more. I have a high research ability. In this way, I can learn fast and this feature keeps my knowledge fresh.
